Joan was wondering if we have a CommStrat for this OMB-site posting of the U&O FIP?

Hi everyone,

Just wanted to keep you all in the loop. We have been trying to access the OMB website since Monday, but we cannot access the site from the EPA network. Using a personal cell phone, we were just able to load the site and determine that the draft FIP was posted on OMB's website yesterday. We are also working with the R8 Service Desk to try to resolve the access issue. Let me know if you have any questions or any updates regarding an expedited review schedule.

Thanks,

Dee

Hi everyone,

Fantastic news!! The FIP has been approved by OP and is on its way to OMB. OP believes it should be accepted by OMB's *Office of Information and Regulatory Affairs* later today or early tomorrow. Please let us know if you have any questions.

Thanks,

Dee
